Manual call point BF-501

Part No.	116-BF-501
Manufacturer	Autronica Fire and Security AS
Model	BF-501

Summary
Manual call point with break glass for use in harsh environmental conditions. The high IP degree and mechanical strength of the enclosure make the call-point suitable for outdoor applications in industrial, maritime and offshore installations.

Specifications

Addressing	Automatic
Cable Entries	2 x M20 (2 glands included)
Classification Societies Design (per manufacturer datasheet)	Designed to meet the requirement of the major maritime classification societies
Colour	Red
Datasheet Document	Doc-1000320-2, 2021-06-23
Degree of Protection	IP66
Environmental Requirement	EN 54
Maintenance	Replace broken glass
Material	Glass reinforced polyester (GRP)
Operating Temperature	-25 to +70 °C
Short Circuit Isolator	In each unit
Standby Current	0.3 mA
Voltage	10 to 27 V DC
Weight	1.2 kg
