# Fully Transparent External Door

| Product reference | |
|---|---|
| Part No. | 5100861-00A |
| Manufacturer | Consilium / Salwico |
| Model | External Door |

## Product overview

Fully transparent external door with a smoked polycarbonate window and a Swedish-standard SS3654 keylock, intended for Consilium / Salwico TERRA FIRE control panels or distributed cabinets used as combined fire-brigade and evacuation control panels.

## Key features

- It replaces the ordinary door so switches, evacuation panels and controls remain visible.
- The standard right-hinged door can be reversed, and supporting crossbars can be moved slightly up or down to fit equipment.
- Historical CPR wording in the source is retained as source wording only and does not establish current certification.

## Technical specifications

| | | | |
|---|---|---|---|
| Manufacturer Article Number | 5100861-00A | Colour | RAL7035 |
| Compatible system | TERRA FIRE | Weight | 3 kg ± 5% |
