Salwico FP10 Fire Patrol Unit

Product reference	
Part No.	5200283-00A
Manufacturer	Consilium / Salwico
Model	Salwico FP10

Key product facts

01 · Ingress protection
IP22

Product overview

The FP10 is a fire patrol unit for fire alarm systems.

Key features

- This loop unit is designed for use in dry spaces.

Technical specifications

Manufacturer Article Number	5200283-00A	Material	PC/ABS
Loop nominal voltage	35 VDC	Colour	NCS-0502Y
Loop working voltage	22–38 VDC	Weight	100 g
Loop working current	0.2 mA	System compatibility	CS3000, CS3004, CS4000, Salwico Cargo, Salwico Cruise, Salwico LNG, Salwico Offshore, Salwico Ro/Pax, Salwico Workboat, Salwico Yacht, Salwico Navy, OEM Extinguish
